Introduction

The whole purpose of education is to turn mirrors into windows.Let’s take a glimpse through the exciting events which kept our young and bright minds occupied.

SERVE WITH PRIDE LEAD WITH CONFIDENCE

The Investiture Ceremony is an important event that gives an excellent start to the activities for the academic year. To follow the legacy, the Jain Heritage School with Ms. Madhumita and her team organized the Investiture Ceremony for the academic Session 2023-2023 on 1st August 2023.

> “The pessimist complains about the wind, the optimist expects it to change but the leader adjusts the sails. If your actions create a legacy that inspires others to dream more, learn more, do more, and become more, then you are an excellent leader”

The ceremony was to badge the leaders of this academic year who would be leading this year’s all-curricular and co-curricular activities and work with the team effort and bring out new and challenging events with all the success.

Investiture means a formal investment of a person with authority, power, rights, office, and dignity. It’s rightly said that ‘leaders are not born, they are made’. Year after year, it reminds us of the trust and confidence that we repose in our newly elected and selected student council members. Donning the mantle of responsibility, they all pledge to dispense their duties to the best of their abilities and abide by rules and regulations of the Institute.

Captainl Sanjay Mankotia carried out the badging ceremony of the newly elected candidates.
The Office bearers and class representatives pledged to work earnestly and uphold the honor and glory of the institution.
