## *Editor's Note*

Dear Students, Parents, and Esteemed Faculty,

Welcome to this month's edition of our school newsletter! As the seasons change and we settle into our routines, it's a great time to reflect on all the exciting events and achievements happening in our community.

As a futuristic school, we are committed to cultivating a dynamic learning environment that integrates Finnish Curriculum and NEP's emphasis on holistic development, critical thinking, and innovation. Through experiential learning and a robust curriculum, we prepare our students to excel in a rapidly evolving world. Moreover, we strongly endorse reading books as a cornerstone of intellectual growth and empathy, fostering a lifelong love for learning and exploration among our students. By embracing these principles, we empower our students to become forward-thinking individuals ready to make meaningful contributions to society.

In this issue, you'll find highlights from our recent school activities, including the school CBSE inspection, Finnish Workshop, Naada Habba celebrations, Mid-Term Examination and much more. We encourage everyone to read about the incredible work being done by our students and teachers.

Thank you for your continued support, and happy reading!

Warm regards,

Editorial Team, Newsletter

## GRANDPARENTS DAY: A HEARTWARMING REUNION

We celebrated Grandparents Day with a special twist this year, welcoming grandparents from a local old age home. Our Student Council members went above and beyond, interacting warmly with our guests, singing, dancing, and serving lunch, creating moments of pure joy and connection. The smiles shared and memories made will forever be cherished.

## TEACHER'S DAY : HONORING OUR MENTORS

Teacher's Day began with a burst of excitement, as students made their teachers feel extra special by serving them breakfast. This was followed by a delightful special assembly dedicated to them, after which teachers enjoyed a movie show. It was a day to honor the dedication of our mentors, and the love shown by the students made it unforgettable.

## GANESH CHATURTHI: A CELEBRATION OF UNITY

This year's Ganesh Chaturthi was celebrated with tremendous enthusiasm. For the first time, students and teachers collaboratively created the idol of Lord Ganesh right here at school! This hands-on experience, paired with prayers and festivities, deepened our connection with the tradition while fostering teamwork and creativity.

## ACADEMIC FOCUS: MID-TERM EXAMS & CBSE INSPECTION

The academic calendar saw the commencement of mid-term exams, marking an important milestone for students to reflect on their progress. Additionally, we are pleased to report that the much-anticipated CBSE inspection was successfully conducted. The inspectors were impressed with our school's performance, and we eagerly await the official results next month.

## GLOBAL LEARNING: TEACHER TRAINING BY FINNISH EDUCATORS

In our continuous endeavor to provide the best education, our teachers participated in an intensive two-day training led by educators from Finland. This program focused on innovative teaching methodologies, and we are confident that the insights gained will greatly benefit our classrooms.

## NADDA HABBA: A NIGHT TO REMEMBER

We wrapped up the month with the Nadda Habba Inter-Society Dandiya Night, an evening filled with vibrant energy. Parents, teachers, and students came together to enjoy a night of open dance, delicious food, and a showcase of talent from our students and teachers. The parent community played a crucial role in making this event a grand success, and we are grateful for their unwavering support.
